- Patent pending

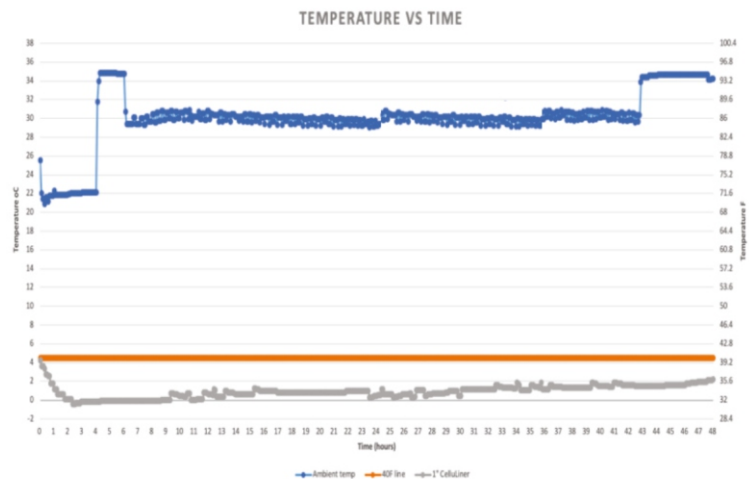

CelluLiner  
Insulation  
Material

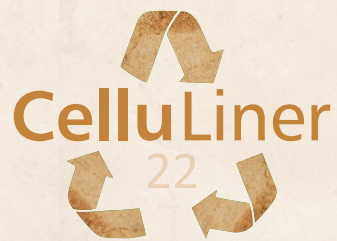

### CelluLiner Material

Each cubic centimeter of CelluLiner material contains thousands of small air pockets that slow down heat flow. Additionally, the cellulosic material is naturally insulating.

## CelluLiner 1" Box Liner Maintains Below 40F for 48 Hours+

PLEASE CONTACT YOUR IPC REPRESENTATIVE OR VISIT [WWW.IPCPACK.COM](http://WWW.IPCPACK.COM) , E-MAIL [SUPPORT@IPCPACK.COM](mailto:SUPPORT@IPCPACK.COM) FOR MORE INFORMATION

All paper packaging requires  
no separation for recycling

## CelluLiner 2-Piece Box Liner

Made with a recyclable  
100% paper insulation  
and paper shell.

Also available with  
curbside recyclable  
plastic cover.
